

# ActivInspire: Displaying Lesson Standards & Objectives Using Notes Browser

To access the ActivInspire Browser window (Control + B) or View Tab – Drop Down menu and Select Browser.

Select the Notes Browser icon.

Each flipchart page has a notes window.

Pin the Notes Browser so it is always visible.

Copy/paste the standards/objectives from lesson plans or type them in the Notes Browser window.

Use the Format Toolbar - bold, underline, italics, text size or color.

Copy/paste lesson objectives and standards in the Notes Browser for each page in the flipchart.
